

DRILLING PROGRAMS

SERVICE OVERVIEW

OUR APPROACH ▶

- ✔ TECHNICAL
- ✔ STRATEGIC
- ✔ COORDINATED
- ✔ SAFE

Drilling programs are a vital component of site characterization. With typically high operational costs, it is important that drilling campaigns are properly designed and coordinated to ensure maximum efficiency while maintaining a safe work environment. Big Rock provides our clients with knowledgeable staff and project managers who have experience working on a large variety of drilling projects. Let us help you plan, design, manage or just confidently staff your next drilling campaign.
